In response to the March 23, 2011 request for additional information, the following amendment has been prepared to clarify the items in question. The fundraising fee was paid to a consultant for generic, non-candidate related fundraising for the Republican Party of Iowa. The purpose has been updated. All voter mail itemized on Schedule B, supporting Line 30(b), is Federal Election Activity that is not attributed to any candidate for Federal office. These expenditures for mail contacting voters that was not candidate related or connected to any candidate. All voter mail expenditures attributed to a candidate for Federal office have been itemized on Schedule B, supporting Line 25 as coordinated expenditures made by Party committees. The Schedule F has been amended to correctly reflect the designating committee for coordinated expenditures; and to include the identification of the candidate supported, the office sought, and the aggregate general election expenditure total for each candidate supported. Inkind transfers-in from the Republican National committee have been properly disclosed on Schedule A, Line 12 in this amendment. All expenditures listed on Schedule B for line 30b during this period are generic, and not made on behalf of any federal election or federal candidate/committee. During this reporting period, payroll, payroll taxes and fringe benefits for any committee employee who spent 25% or more of their time on activities related to a Federal election are being reported as Federal Election Activity and shown on Schedule B for line 30b. All salaries, wages and/or fringe benefits reported on Schedule H4 are for employees who spent less than 25% of their time on federal election activity or in connection with a Federal election. The committee hereby incorporates by reference Form 99 Miscellaneous Report, June 20, 2009, outlining its policies with regard to payments received by candidate committees for goods and services provided. The Republican Party of Iowa owns and operates its own building and land at its headquarters in Des Moines. Iowa. This committee does not recognize registered lobbyists or registrant committees for purposes of aggregate contributions. The Republican Party of Iowa follows a best efforts policy/procedure that begins with a clear and conspicuous request from donors for their full name, mailing address, occupation and name of employer at the initial solicitation for a contribution, informing the contributor of the requirements of federal law for the reporting of such information, as required under 11 CFR §104.7. Upon receipt of a contribution, collected donor information, as reported by the donor, is captured into our contributor database for purposes of reporting on the next FEC disclosure report. All contributors who have crossed the \$200 cumulative threshold and have not provided sufficient information are sent correspondence requesting the missing information (that does not include a solicitation for a contribution), including a postage-paid return envelope. This is completed on a twice monthly basis. If information is still missing at the time of a reporting cutoff, a phone contact is made. A record of the correspondence is documented and retained for verification. Every effort is made to never have missing information on each disclosure report before filing; however, when information is received following a filing, amendments of the original report or memo entries on subsequent reports are subm-
